Personal Statement

Why do you want to study in the USA? "I believe I'll have a better opportunity to make a success in life, not necessarily just in golf, if I could go to the states. I believe I'll learn more about myself as a person in a new and different environment. ! If you weren't a Golfer what would you be? I'm a people's person, definitely see myself doing something in sales, working with people and hopefully in any sort of sports industry Interesting fact: Fitness is a big part of my life, and one interesting thing would be that I love boxing"
